The Tsingtao Soviet Association has been granted permission to function as a recognized organization by the Chinese Nationalist Government and has been approved by the Ministry of Social Affairs in Manking.

25X1A

■ Note: For several months the Association has been having difficulties with local Chiness authorities who enter the Association building to inspect the premises on the least provocation. In addition, the Alien Property Administration has been threatening to seize several houses occupied by Association members. Perhaps N.V. Selesniev, who went to Manking on & May to consult the Soviet ambassador about the confiscation of houses by the APA also secured the registration of the Association.)
